Cynthia “Mercedez” Valdez has been designing great interiors for our clients since joining Cantoni in 1995.

Earning a degree in Design with a Minor in Fashion Merchandising, Mercedez came to Cantoni with a background in Interior Design and Furniture & Fashion Retailing including experience as a Buyer and Store Manager for women’s fashion company. A lover of theater, she also worked on set design and staging for television production.

As one of the Senior Designers at Cantoni, she has worked on a broad range of projects over the years. Most notably she was awarded “Best Interior Designer” by Dallas Parade of Homes. It was the first time a Contemporary Designer was recognized for this prestigious award. Contact Mercedez today to achieve unique, elegant, and memorable interiors for your space!

## **The Cantoni Story The Business of Great Design**

Founded in 1984, Cantoni is a full service interior design resource offering innovative modern home furnishings and a team of talented design consultants who provide their services with insight and integrity. We are proud to be celebrating our 25th anniversary and attribute our expansion and achievements to clearly defined goals, a solid business plan, and a strong discipline to maintain our vision and 'customer-first' practices. However, we believe that our success would not have been possible without the continuous support and loyalty of our wonderful clients. Thank you. To those new to Cantoni, we hope you will give us the opportunity to demonstrate why 'Great Design Is a Way of Life'.

## **Cantoni Design Studio: Creative interiors Start Here**

Our Design Studio is an indispensable resource where our talented design consultants utilize the latest space-planning technology, an extensive selection of fabrics and leathers, color palettes, and a vast library of resources to turn your dreams into reality - on your schedule and budget. Our experienced design consultants are passionate about modern furnishings and collaborate with our clients to offer an unparalleled experience. For those clients who want the "whole package", we offer a complete Design Services Program. Given the quality of our collections and the creativity and expertise of our design consultants, we believe this service to be the best value in town.

## **Creative Residential & Commercial Staging Starts at Cantoni**

In today's market, it is essential to make a great first impression and to present your home in the best possible light. Whether in a residential or commercial setting, nothing adds value like beautiful staging. In a recent survey by Dwell Magazine of staged homes, it was confirmed that some 2,800 properties sold on average, for 6.3% over their asking price. From high-rise model homes to private residences preparing for sale, our team of talented interior designers have created beautiful modern interiors for clients across the country that highlight the virtues of their spaces while enhancing their value.

Fees for these services vary depending on the scope of each project. For more information please visit [cantoni.com/staging](http://cantoni.com/staging) to see our Residential and Commercial Staging portfolio.
